SUMMARY

I may not be a coding grandmaster, but don't underestimate me! With Python, PostgreSQL, PHP, MySQL, and even Telegram bot development in my back pocket for almost 2 years, I'm more like a code ninja-in-training! Algorithms and data structures? Pssh, i can handle! I'm always sharpening my coding skills and ready to tackle any task, So if you want a fun-loving and sharp-witted developer on your team, let's chat!

EXPERIENCE
